How to apply to have your mare inspected:

Applications for mare and gelding inspections should be returned before the closing date. This year, in view of the COVID-19 situation, the closing date has been revised. **This is now 31 May 2021 for ALL venues.** Application forms should be sent as soon as possible. No late applications can be accepted.

Venues will depend on the location of the mares, which will be brought together in small groups. We are likely to hold inspections in the Midlands, the North of England and at the Annual Breed Show in Grantham.

The stallion inspections have been postponed until the autumn (we are awaiting a date from Warwickshire College), so there will be another mare inspection running alongside them. There will be a jumping lane available at that venue for athleticism assessments. These are voluntary for mares and geldings.

Type of inspection	Fees
<ul style="list-style-type: none">Grading of purebred mares and geldings eligible for Class 1, and Sport Horse Register mares eligible for Supplementary Grade Up, Re-inspections of animals previously classified Class 2	£180 inc. VAT
<ul style="list-style-type: none">Athleticism assessment for mares that have already been inspected and classified RID or Class 1 on a previous occasion. This includes linear profiling when this has not already been done. Athleticism assessments are available at the stallion inspection venue only, because this venue has suitable facilities for jumping.	£100 inc. VAT

Before you apply:

- Please ensure that your membership is current.
- Please ensure that your horse has a valid passport and has been formally 'named' through its passport issuing organisation (PIO). The name chosen must comply with Central Prefix Register requirements, i.e. you may not use your own prefix on a horse you have not bred.
- Make sure that the horse has been transferred into your ownership.
- If your passport needs amendment, please return it with the relevant form and fee to the PIO that issued it. In most cases, this will be either Horse Sport Ireland or the IDHS (GB).
- Horse Sport Ireland forms and fee details are available on their website at www.horsesportireland.ie
- Passports from all countries outside the UK must be returned to that country's passport issuing organisation for any changes to be made. Please allow plenty of time for this.
- If your horse's country of origin is outside the UK, the passport must be over-stamped with the IDHS (GB) prior to inspection. The relevant form is on our website.
