

Arena Team trainees required for the IDHS (GB) Stallion Inspections at Warwickshire College

This is an exciting opportunity to get involved with our stallion inspections and be part of a friendly and positive team.

We are looking for up to four people who are interested in training to be part of our arena team for our stallion inspections at Warwickshire Agricultural College. If you are successful in being selected, you will be invited to work as part of the arena team during the stallion inspections on 1st and/or 2nd September, and also in future years.

The arena team is an integral part of the inspection process. Their role is not to school the horse, but to ensure that horses are moved around the arena safely, so that they can demonstrate three good paces, change rein and show sufficient athleticism down the jumping lane to enable the inspectors to complete their assessment.

We have invited one of Horse Sport Ireland's most experienced inspectors to run a refresher/ training session on 31st August 2022, for our existing team and selected new candidates. There are a limited number of places available.

You must be at least 18 years of age. There is no upper age limit, but for your own safety and the safety of others, you must be physically fit and also, be able to hear and act quickly upon auditory instructions.

There will be no charge for the training. This is a voluntary role, so unfortunately, the Society is not in a position to pay full expenses (meals, fuel etc.), but we can offer to cover the costs of self-catering *en suite* student accommodation at the College to any designated arena party members who wish to claim.

If you are interested and meet the criteria listed below, please complete the application form and email it to the Inspection Management Team on inspections@idhs.gb.org.uk before 15 June 2022.

All candidates will be interviewed. Interviews will be carried out by phone or Zoom, at a mutually convenient time, between 15 and 25 June 2022.

Thank you for your interest.

The Inspection Management Team of the IDHS (GB) Council.
