

## Stallion inspection results 2022

**There were 12 applications** submitted for the stallion inspections for grading this year.

10 of these stallions came forward for inspection at Moreton Morrell on 1 and 2 September 2022.

Four stallions met the veterinary and inspection standards for Class 1.

Five stallions did not meet the inspection standards for Class 1, and have been classified as Class 2.

One stallion did not complete the athleticism section of his inspection and remains in Class 4/Uninspected.

The inspectors were Mr Michael Kirwan from Ireland, Mrs Vicky Mathews from Great Britain, Dr Charlotte Moore from Ireland and Mrs Mary Wilson from Great Britain. Our veterinary advisor is Mr Liam Kearns MRCVS from Three Counties Equine Hospital. Mr Andrew Gardiner from Ireland came over to coach and then lead our arena team. His contribution was invaluable.

The Society would like to express our grateful thanks to the stallion owners and producers who supported our inspections, many of whom travelled a long distance, including from Northern Ireland, the far north-east of England, South Wales and Cornwall.

We would also like to thank the many people who helped, both on the day and in the many months leading up to this important date in our calendar. We do not have any paid staff to help with inspections, but we rely on a team of dedicated volunteers who work extremely hard all year round to make these events possible.

Once again, we are indebted to the Late Mr Bernard Symonds and Mrs Pam Symonds for their generous support through the BLS Awards, presented to British-bred Class 1 stallions. Thank you also to Horse Sport Ireland, who kindly provided rosettes for Irish-bred horses which achieved Class 1.
