Due to the high cost of fuel and overnight accommodation, mares will not be visited at home unless they are on the route of an inspection tour for grading.

Mares must score 125 marks out of a possible 145 marks on a numerical score sheet, based on conformation, type and movement in hand. They are not turned loose unless being inspected for grading, where this is a requirement.

If you are not sure if your mare is eligible for Hornby Premium inspection, please email us:

**There is no fee for a Hornby Premium inspection.**

Successful mares receive a rosette and depending on funds available, a grant, which is payable at the end of the year. Mares which have been awarded three Hornby Premiums are termed **Select mares** and receive a Select rosette. They can then have their purebred foals registered free of charge. Select mares qualify for a **Bronze Merit Award** in conformation and movement.

**To apply, please complete the form below.** If your mare has not foaled by 15 May, please complete the form with the expected foaling date recorded.
