Mares will not be inspected at home, unless they are very close to the route of an inspection tour for grading.

It may be possible to inspect mares for Hornby Premiums at other Affiliated Shows (list on our website), provided that (1) there are suitably experienced and qualified inspectors available to assess the mare and (2) that this does not interfere with judging commitments. We would need plenty of notice to organise this.

Mares must score 125 marks out of a possible 145 marks on a numerical score sheet, based on conformation, type and movement in hand. They are not turned loose unless being inspected for grading, where this is a requirement.

If you are not sure if your mare is eligible for Hornby Premium inspection, please email us: inspections@idhsqb.org.uk

There is no fee for a Hornby Premium inspection.

Successful mares receive a rosette and depending on funds available, a grant, which is payable at the end of the year. Mares which have been awarded three Hornby Premiums are termed **Select mares** and receive a Select rosette. They can then have their purebred foals (going forward) registered free of charge.
